

WIDA - MODEL

The Wisconsin Center for Education Products and Services (WCEPS) is offering Idaho's ELL educators a 10% discount on member pricing on all WIDA products sold in the online store, including WIDA MODEL Kits and replacement parts. As you know, WCEPS is WIDA's non-profit dissemination partner, and we work hard to keep prices low. We'd like to offer this 10% discount through May 30, 2014 as a way to support Idaho educators. Here's how ELL educators in Idaho can take advantage of this discount:

1) Visit the [online store](http://wida.us/store) (wida.us/store)

2) Review the products available. Two products may be especially relevant to Idaho educators:

- The [WIDA MODEL Assessment](#). MODEL is available for grades K-12. It can be used as both a screener and interim assessment to determine English language proficiency. For more information on MODEL, visit the recording "7 Key Questions about WIDA MODEL," at <https://www.youtube.com/channel/UCm-FOgKpSkIPaZcKsBqvrtw>.
- The [WIDA Starter Pack](#). It provides materials educators need to get up and running with WIDA: one copy of the 2012 Amplification of the WIDA ELD Standards, one copy of the WIDA ELP Standards and Resource Guide, 2007 edition, one copy of the Essential Actions handbook, a set of Can Do's, a poster, and a WIDA tote bag.

3) Enter the discount code "IDAHO10" upon checking out (be sure to use "Member" price).

- If customers would like to issue a PO, they can place an order and then submit their PO within 30 days. Please have the PO reference the Indiana 10% discount.
- The discount applies to all orders placed through Friday, May 30, 2014.
The discount applies to products only and not to shipping. (Note: Please address purchase orders to WCEPS, 510 Charmany Dr, Suite 269, Madison, WI 53719)

Educators can contact the WCEPS team with any questions: [1-877-272-5593](tel:1-877-272-5593) or store@wceps.org.
